

Travel Alert: Updated Requirements for Visitors to Cuba

BILLING INSERT **April 2011**

Updated: March 2011

Last year, the Cuban government announced new travel insurance requirements for tourists visiting Cuba. Effective May 1, 2010, travel medical insurance policies purchased abroad needed to be from travel insurance and/or assistance companies recognized by the Cuban government.

Please note that these travel insurance requirements for Canadian visitors to Cuba have recently been updated. Going forward, we understand that the Cuban government will accept a valid Provincial Health Insurance Plan card as proof of sufficient travel insurance coverage from Canadian travellers entering Cuba.

In addition, RWAM's insured clients should take their RWAM OneCard with the emergency assistance phone number on the back of the card. In case of emergency, this number should be contacted prior to seeking medical treatment.

Should you have any further questions, please contact RWAM at 1-877-888-7926 ext 221 or e-mail: haguiar@rwam.com
