

November 2018

## Medical Cannabis Coverage - Available December 2018

Effective December 1<sup>st</sup>, RWAM is pleased to include cannabis for medical treatment as an available coverage option under your Extended Health Care benefit.

Medical cannabis has been proven to be helpful for some serious medical conditions. Coverage, based on specified criteria, may be included for the following medical conditions:

- **Cancer**
- **Palliative care**
- **Multiple Sclerosis**
- **Rheumatoid Arthritis**
- **HIV/AIDS**
- **Epilepsy**

### Claims

All claim requests will be managed through prior authorization to ensure that the claim request meets RWAM’s criteria regarding the covered medical conditions and prior treatment responses, as well as daily dosage maximums and accredited distributors.

### Maximum

Three annual maximum options will be available:

<b>Annual Maximum</b>	<b>EHC Base Rate Impact</b>
<b>\$1,500</b>	<b>+3%</b>
<b>\$4,000</b>	<b>+6%</b>
<b>\$6,000</b>	<b>+8%</b>

If you have any questions, please contact your RWAM Group Marketing Representative.
