September 2020

RWAM Insurance Administrators and Homewood Health are pleased to announce a new partnership offering Homewood Health Employee Assistance Plans.

ELMIRA, Ontario, September 14, 2020 -- RWAM Insurance Administrators Inc. and Homewood Health are pleased to announce a new partnership, giving RWAM Plan Sponsors access to Homewood Health Employee Assistance Plans (EAP).

“Homewood Health is very excited to partner with RWAM, to be able to offer the very best elements of our service to their network. Homewood Health appreciates the value that RWAM places on their relationships, the importance of superior customer service and the quality of care that is delivered to their end users. We share these values and are proud to add our expertise in improving lives to this partnership.” Jonathon Avery, National Vice President – Sales and Account Management.

Partnering with Homewood Health provides RWAM Plan Sponsors with a national Employee Assistance Plan option with a strong focus on customer care. “Homewood Health has done a tremendous job building their national network while staying committed to providing a personalized approach to Employee Assistance Plans” said Carole Yari, Chief Executive Officer, RWAM Insurance Administrators Inc.

RWAM’s customized benefits solutions combined with Homewood Health’s expertise in Employee Assistance Plans enables both Plan Sponsors and Plan Members to feel confident in the quality of their health care coverage.
