CHANGE TO TAXATION

WorldCare Medical Second Opinion Premium

Effective on your next RWAM Group Benefit invoice, HST will be added to your WorldCare Medical Second Opinion (MSO) premium, as it has been determined that HST/GST is applicable to this benefit. Previously, Retail Sales Tax (RST) was applied* for this benefit. Going forward, PST/HST/GST will be invoiced as required*.

** Tax regulations vary based on provincial guidelines.*

If you have any questions, please contact your group insurance advisor or RWAM.
